SECTION 5.2 Membership.

Employees in the work unit defined herein have and shall be protected in the exercise of the right, freely and without fear of penalty or reprisal, to join and assist the Association or to refrain from any such activity.

This provision shall not apply if immediate action is required by the district, the meeting is the first meeting regarding a particular issue called by the supervisor, if the right is waived by the employee, or if the meeting is for investigatory purposes and the employee is not the primary subject of, or complainant in, the investigation.

Association Unit Representatives include Missouri National Education Association staff and designated member leaders. A list of Unit Representatives will be provided to the District at the start of each school year. These representatives will go through a series of professional development trainings mutually agreed upon between the Association and the District prior to conducting representation work.

Meetings which allow for a third-party representative will be scheduled at least 24 hours in advance whenever practicable and may be rescheduled to conform to the representative's schedule if the circumstances are not emergent as determined by the District representative scheduling the meeting. A Unit Representative for such meetings must provide at least 12 hours' advance notice of the intent to attend the meeting, unless waived by the District.

SECTION 5.4 New Bargaining Unit Members.

The Association, as the exclusive representative for the Bargaining Unit, shall be provided the names, and home or mailing address of newly hired Bargaining Unit employees, to the extent such information is contained in District personnel records twice annually, once in September and once in February.

SECTION 5.5 List of Bargaining Unit Employees.

The Union, as the exclusive representative of the Bargaining Unit, may request contact information for the current members of the Bargaining Unit. Upon reasonable request, no more than twice per school year, the District will provide the Union with the names, and email addresses for the members of the Bargaining Unit, to the extent that such information is contained in District personnel records.

SECTION 5.6 Use of District Mailboxes.

To the extent that they are provided for all employees of the District, the Association shall have the right to use school mailboxes and the intra-district mail service for the distribution of materials to employees covered by this Agreement. A copy of any material to be disseminated shall be given to the Chief Human Resources Officer prior to the proposed dissemination to

the employees covered by this Agreement for review. The Association shall be responsible for providing an adequate number of copies of any such material to be distributed.

SECTION 5.7 Union Business.

All regular Union business, such as meetings and other Union activities, shall be conducted outside of the working time of any employee involved in such business and shall not interrupt the educational process in the District except with the advance approval of the Chief Human Resources Officer, Superintendent or designee.

SECTION 5.8 Use of Buildings.

The Union shall have the same right to use District buildings in the same manner as any other employee group in the District subject to the reasonable regulations and/or policies of the Board governing the use of such buildings.

SECTION 5.9 Job Classifications.

"Job Classification" is determined by the categories of work set forth in the salary schedule. Notice of changes to job classifications and job descriptions will be provided to Union representatives 14 days before effective date of such changes.

When an employee of one classification is asked to work in a higher classification on a temporary basis of more than 10 consecutive work days, the employee will be paid at the rate of the higher classification starting the 11th day for the period of time the employee performs the duties of the higher classification.

SECTION 5.10 Seniority.

The District shall determine seniority by the employee's most recent date of hire as an employee of the District within job classification.

The District will prepare a list of all employees covered by this Agreement by seniority each six (6) months. The seniority list shall contain the employee's name and date of hire within the job classification.

Seniority shall be broken upon the occurrence of any of the following events:

- (a) Voluntary resignation;
- (b) Termination for cause;
- (c) Absence from work for three (3) consecutive workdays without notifying the district;
- (d) Failure to return to work within one (1) workday following expiration of an authorized leave of absence unless the employee can provide reasonable proof that is impossible to notify the District;
- (e) Failure of the employee to report back to work within five (5) workdays after receipt of notice from the District that the employee is being recalled from a layoff; and
- (f) Retirement.

SECTION 5.11 Job Assignments, Promotions, and Transfers.

In order to obtain a new position or transfer, employees must provide a written application for an open position. The District will post notice of job openings on designated bulletin boards. Such notice shall state what job classification is open, the location of the job opening, the date of the posting, and the date the posting will close. This internal notice shall remain posted for five (5) working days.

Qualified internal employees of the District will be given primary consideration to fill a job vacancy.

Applications for promotions, transfers, and assignments will be reviewed by department and District administration, and applicants will be chosen for job assignments, promotions, and transfers based on the following factors, in no particular order:

- The needs of the District;
- Seniority and overall longevity of service to the District.
- Training, experience, and knowledge of the position;
- Qualifications based upon job duties, including but not limited to, the capacity to perform the essential functions of the job;
- The applicant's work performance, including but not limited to, the employee's written evaluations and disciplinary history.

The interview process will be conducted in a fair manner. If an internal candidate is turned down for a job assignment, promotion, or transfer, that candidate has the option to meet with the supervisor to discuss how to improve their qualifications for advancement or transfer in the future.

SECTION 5.12 Notice of Layoffs.

Employees subject to any reduction in force will be given written notice at least thirty (30) days prior to the effective date of the layoff. Such notice will be mailed to the last known address shown in employee's records. The District will strongly consider seniority and overall longevity of service to the District when making determinations regarding necessary reductions in force.

SECTION 5.13 Meal and Rest Breaks.

Each employee scheduled to work six (6) or more consecutive hours may receive an unpaid, 30-minute meal break. An employee may take the meal break after one-half of the employee's daily work shift is complete. In the event of unusual or unforeseen circumstances, the meal break may be interrupted by an individual in a supervisory capacity as the needs of the building or District dictate. An employee may leave the school premises for the entirety of the meal break, however, the employee must follow proper time recording procedures, including clocking out and clocking back in after the 30-minute break.

Full-time custodial and maintenance employees will receive two (2) paid, 15- minute breaks. The employee will take each 15-minute break during each half of the scheduled shift. The employee is to remain on the clock during each 15-minute break and may not leave the

school building or job site. Rest breaks cannot be combined, or taken concurrently, with meal breaks. Time limitations on breaks will be strictly observed and enforced.

Employees working in inclement weather, extreme heat or extreme cold, or exceptionally harsh weather conditions may be granted additional rest periods by their supervisor. These rest periods are in addition to the normally scheduled rest and meal breaks.

SECTION 5.14 Progressive Discipline.

Disciplinary actions by the District may include the following three steps:

- Step 1. Oral warning;
- Step 2. Written reprimand; and
- Step 3. Suspension without pay, or discharge/termination.

The extent of any disciplinary action, and the step upon which it enters the progressive discipline process, will be proportionate as determined by the District to the seriousness of the infraction and past infractions, and any step may be skipped in the discretion of the District in order to effectively and efficiently address misconduct. Similarly, the District will take into consideration an extended length of time between infractions and may elect not to move onto the next step of discipline for a subsequent infraction.

SECTION 5.15 Personnel Files.

The process for accessing personnel files for employees of the bargaining unit is detailed in Board Policies, including Board Policy GBL.

SECTION 5.16 Grievance Procedure.

A "grievance" is a formal written complaint by any employee covered by this Agreement that there has been violation or misapplication of this Agreement, Missouri law, or Board of Education policy.

Employees who wish to grieve violations of this Agreement may do so under Board Policy GBM, Staff Grievances.

SECTION 5.17 Labor/Management Committee.

A Labor/Management committee will be established to provide a forum for communications to deal with select matters of mutual concern during the term of this Agreement. The committee will be subject to the following guidelines:

1. The committee will consist of no more than 5 members of the District management appointed by the Superintendent and no more than 4 members of the Bargaining Unit and the UniServe Director, if available, for a potential total of 5 Union participants, appointed by the Union. The District Superintendent or designee and Union designee(s) may establish rules and procedures for the proper functioning of the committee.

2. Committee meetings shall not be considered contract negotiations, and no negotiation shall take place during such meetings.
3. Committee will meet as needed, as mutually determined by the parties.

SECTION 5.18 Call Backs.

A "Call Back" occurs any time an employee is asked to return to work after he or she has left work location at the end of his or her regularly scheduled shift prior to the beginning of his or her next regularly scheduled shift. Call Backs do not occur when an employee is asked to report early for a shift. When a Call Back occurs, the employee will be paid one and one half times the regular rate of pay for actual time worked, or for two hours minimum, whichever is greater. This provision shall not apply to bus drivers.

SECTION 5.19 School Cancellation After Reporting for Work.

If school is cancelled after a bus driver or bus aide has reported for a regularly scheduled shift, and has clocked on for that shift, then the bus driver or bus aide will be paid for the equivalent of 1 hour of work at their regular rate of pay or for the hours actually worked, whichever is greater. At the discretion of the Department Director, employees already on the clock when school is cancelled may volunteer for additional hours, if needed.

SECTION 5.20 Additional Duties.

In the event additional work outside of the normally scheduled work hours is offered, such work will be offered to individual site employees first, then to employees of other sites. In the event of additional work outside of the normally scheduled work hours is required, the District will assign additional work to those employees at the bottom of the classification list first and assign additional work on a rotational basis. The District will use reasonable best efforts to provide at least 24 hour notice to employees of required additional work.

SECTION 5.21 Association Leave.

In the event the Association desires to send Bargaining Unit Board Officers on the business of the Association, and contingent upon approval of the District by and through the Assistant Superintendent of Operations, up to four Board Officers will be allowed to attend the business of the Association, provided a suitable substitute is available and the Association shall reimburse the District for the cost of the substitute. Requests for Board Officers to attend the business of the Association shall be submitted in writing at least ten (10) business days prior to the requested absence. Any such requests will be denied if the absence will disrupt the regular operations of the department or division, or if qualified and appropriate substitute coverage cannot be obtained. This leave is limited to 2 scheduled work-days per calendar year, but additional leave can be requested and granted at the District's discretion. This leave will not be charged against the employee in disciplinary action.

It is the district's expectation that when employees obtain certifications, the certifications are maintained/recertified to stay current. Employees wanting to add additional certifications will be expected to maintain existing certifications.

All current employees in the Util/Environ Control and the Utility/Environ Control Journeyman columns will be grandfathered on July 1, 2023 (no mandated requirements to complete the requirements in their current column).

Should any extra duties be assigned at the time of educational training/classes, the employee will be excused from that extra duty to attend training/certification-related classes.

Certifications may be added from time-to-time to either column based on the needs of the district.
